DATA SCIENCE FOR MOBILITY 2022

PROGRAM OF THE SCHOOL

Monday October 3rd, 2022

18.00-21.00 WELCOME from Organizers with Cocktail

Tuesday October 4th 2022

9.00-11.00 Keynote by Goce Trajcevski

 11.00-11-30 Coffee break

11.30-13.30 Mini Course – Learning from our movements – Big Mobility Data Analytics | *Theodoridis & Tampakis*

13.30-15.00 Lunch

15.00-16.00 Mini Course – Learning from our movements – Big Mobility Data Analytics | *Theodoridis & Tampakis*

16.00-16.30 Coffee break

16.30-17.30 Mini Course – Learning from our movements – Big Mobility Data Analytics | *Theodoridis & Tampakis*

Wednesday October 5th 2022

9.00-11.00 Mini Course – Human Mobility Analysis and Simulation in Python | *Pappalardo*

11.00-11-30 Coffee break

11.30-13.30 Mini Course – Human Mobility Analysis and Simulation in Python | *Pappalardo*

13.30-15.00 Lunch

15.00-21.00 Excursion – Sunset at Oia

Thursday October 6th 2022

9.00-11.00 Keynote by George Vouros

11.00-11-30 Coffee break

11.30-13.30 Mini Course – Deep Learning for Mobility | Nardini & Trani

13.30-15.00 Lunch

15.00-16.00 Mini Course – Deep Learning for Mobility | Nardini & Trani

16.00-16.30 Coffee break

16.30-17.30 Mini Course – Deep Learning for Mobility | Nardini & Trani

Friday October 7th 2022

10.00-10.30 Coffee break

10.30-12.30 Panel – Emerging Issues on Mobility Data Science

12.30-16.30 Excursion – Wine tasting experience

17.00 End of the school
